

Medical intercom

SOLUTIONS SPECIFICALLY DESIGNED FOR THE MEDICAL SECTOR

Clear, reliable, fast communication, and intercom stations perfectly adapted to the hospital environment hygiene rules, are essential requirements to ensure staff and patients safety.

Antimicrobial

Waterproof

Resistant to disinfectants

- › Intercom stations suitable for clean rooms (operating theatres, sterile rooms, etc.)
- › Front panels disinfectable and resistant to chemicals
- › Total intercommunication between the different services (admissions, operating theatres, laboratories, emergencies, etc.)
- › Advanced intercom functions (group call, general call, transfer, call priority)
- › Optimal acoustic quality (Full Duplex communication)
- › Fast and easy of use communication systems (hands-free, programmable call buttons, etc.)

MAIN APPLICATIONS

Hospitals, retirement homes, laboratories, cleanroom... and many other customised applications
